This session will explore the intersection of urbanisation and climate change through discussion of a few of today’s key urban trends as well as examples of ongoing efforts to adapt to climate risks within towns and cities.

**Speakers:**
- Sheela Patel, the Society for Promotion of Area Resource Centres and Slum Dwellers International
- Zinta Zommers, Mercy Corps and Zurich Flood Resilience Alliance
- Shiraz Wajih, Gorakhpur Environmental Action Group
- Eddie Jjemba, Red Cross Red Crescent Climate Centre
- Bijal Brahmbhatt, Mahila Housing SEWA Trust
- Denia Syam, Mercy Corps Indonesia

**Transformative Trends:** What novel approaches are needed to address climate risks and vulnerability in today’s rapidly urbanising places?

**Sunday 9 December 2018, 11:30-13:00**
Artyleril (at Hotel Diament Arsenal)
